

Social Language Strategies

Social Language Strategies

- 1. Talk about hidden social rules (i.e. When someone pauses, it is your turn to talk.)**
- 2. Role play new or challenging social situations**
- 3. Take advantage of teachable moments (i.e. greeting others upon entering the classroom)**
- 4. Provide opportunities for the student to state what he/she thinks and/or feels when...**
- 5. Discuss the perspective of others (i.e. “How does your friend feel when you...?”)**
