# • Retirement • Early Retirement • Widow's pension • Disabled • Easier to go back to work • 5 year "catch net"

# Trial Work Period

🗆 Earnings trigger a trial work period

During a trial work period, a beneficiary receiving Social Security disability benefits may test his or her ability to work and still be considered disabled. SSDI does not consider services performed during the trial work period as showing that the disability has ended until services have been performed in at least 9 months (not necessarily consecutive) in a rolling 60-month period.

# Trial Work Period Cont'

- □ In 2019 -> \$880 per month
- □ May spur a medical re-review

# CDR - Continuing Disability Review

# □ When approved SSDI or SSI, a super secret number

is put into Social Security's computer

- □ 1,3,5 7, 9 Years
- ☐ Working OVER SGA
- □ Working enough to meet TWP
- □ NOT to see if still have diagnosis
- □ ONLY to see if NOW CAN WORK

# IRWE

# □Impairment Related Work Expenses

- Deduct the cost of certain impairment related expenses that are needed in order to work from your earnings when Social Security decides if you are performing SGA.
- Some examples: a wheelchair, special transportation costs, YOUR cost of medication, specialized work related equipment, YOUR cost of a job coach - may need dr

# But I earn too much......

- □ WIPA- Contact the WIPA Program toll free at (800) 852-5110
- A federally funded program created to help individuals receiving SSI/SSDI moke informed choices about being employed. If you are working, have a job offer or ready to working will affect your benefits.

  They will explain Social Security work incentives in oddition to state benefits, such as Medicaid, subsidized housing,

TANF, food stamps, etc..

□ Work Incentive Planning and Assistance (WIPA) Program will give you the information you need to make the best choice about your future.

# How Working Affects Medical Benefits

#### □ SSDI - Medicare

9

- If the individual never worked while on benefits, they will have at least eight and a half years of Medicare coverage when they do begin working.
- The first nine.months of Medicare would be covered under the Triol Work Period
- The following 93 months are called Extended Medicare Coverage.

Account of Facility Secretarial Sections

10

# SSDI & Medicare

After Extended Medicare Coverage ends, individuals are able to purchase their Medicare coverage. They would have to pay a premium to keep their Medicare

# Plan to Achieve Self Support

#### What is a PASS?

It is an SSI provision to help individuals with disabilities return to work.

# How does a PASS help someone return to work?

- SSI eligibility and payment amount are based on income and resources (things of value that individual owns).
- PASS lets disabled individual set aside money and/or things he or she owns to pay for items or services needed to achieve a specific work goal.

Property of Family Benefit Solutions

# **PASS Plans**

# □ How does PASS work?

- Applicant finds out what training, items or services needed to reach work goal.
- Can include supplies to start business, school expenses, equipment and tools, transportation and uniform requests.
- a Applicant finds out how much these items and services will cost.
- PASS can help person save to pay these costs. PASS lets person set aside money for installment payments as well as a down payment for things like a vehicle, wheelchair or computer if needed to reach work goal.

Preparty of Family Benefit Solvan

14

# More PASS Info

# 

- □ How do you set up a PASS?
  - Decide on work goal and determining items and services necessary to achieve.
  - Can get help in setting up plan from a vocational rehabilitation (VR) counselor; an organization that helps people with disabilities; Benefits Specialists or Pratection and Advocacy organizations who have contracts with SSA; Employment Networks involved in the Ticket to Work program; the local Social Security office or onyone else willing to help him or her.
  - Contact local SSA office; SSA work site or some third parties shown above to get a PASS form (SSA-545-BK) to complete.
  - Bring or mail it to the Social Security office.
  - □ SSA usually approves plans prepared by VR
  - If goal is self-employment, there must also be a business plan

reports of Family Banata Salynom

# Still More PASS Info

# □ What happens to the PASS?

- SSA sends PASS to SSA employees who are trained to work with PASS.
- PASS expert works directly with the applicant. PASS expert looks over the plan to see if work goal is reasonable
- SSA reviews plan to make sure that items and services listed on PASS needed to achieve the work goal and reasonably priced.
- □ If changes needed, the PASS expert discusses with the applicant.
- □ If PASS not approved, can appeal the decision

#### Ticket to Work

# NIN LEDGE AND RECEIVED TO THE PROPERTY OF THE

# What is the Ticket Program?

☐ The Ticket to Work and Self-Sufficiency Program is an employment program for people with disabilities who are interested in going to work. The Ticket Program is part of the Ticket to Work and Work Incentives Improvement Act of 1999 - legislation designed to remove many of the barriers that previously influenced people's decisions about going to work because of the concerns over losing health care coverage. The goal of the Ticket Program is to increase opportunities and choices for Social Security disability beneficiaries to obtain employment, vocational rehabilitation (VR), and other support services from public and private providers, employers, and other organizations.

17

18

# More Ticket to Work

#### 

- ☐ Under the Ticket Program, the Social Security Administration provides disability beneficiaries with a Ticket they may use to obtain the services and jobs they need from a new universe of organizations called Employment Networks (ENs).
- ☐ MAXIMUS, a private company, has been contracted by the Social Security Administration to function as the Operations Support Manager (OSM) and the Ticket Program Data Operations Center Manager (TPDOCM). It is MAXIMUS' responsibility to administer oversight and process support necessary to sustain ongoing Ticket Program Operations.

# Still More Ticket to Work

# Eligibility:

- □ 18 64 years of age
- □ In active pay status for SSDI or SSI
- □ Someone who is not expected to improve medically

#### STEP ONE:

Find the Employment Networks in your area:

- Online -> www.yourtickettowork.com
- □ by telephone -> Toll-Free Line:1-866-968-7842

#### Ticket Continues

# STEP TWO:

□ Find an Employment Network that fits your needs

□ Exercise your right to choose who will serve you.

#### STEP THREE:

□ Choose your Employment Network

# Even More Ticket to Work

# 

- ☐ UNDERSTAND YOUR RESPONSIBILITIES under the Ticket to Work Program
  - □ SSA will meosure your progress to see if you are using your ticket.
  - There is no requirement to work during the first 24 months of the Plon. You are only required to actively follow your Plan with your Network.
  - □ During months 25-36 of your plan, you must earn a gross income over

SGA 2019 = \$1220

for 3 months out of a twelve-month period.

Property of Family Benefit Salana

55

# Medicaid Problems

- -> New Applications
- Many people cannot use the ABE (online) to apply for Medicaid and/or the Mange My Case:

- no access to a computer
- cannot use a computer
- no credit so Experian cannot verify identity
- Medicaid is working with Experian to correct this. In the meantime, we can use paper applications (HFS 2378b) and fax or mail or bring them to the local office

#### More Medicaid Problems

-> Inability to get a caseworker on the telephone

- !L Medicaid has gone from a caseload system to a que/task based system.
  - You can leave a message (& PRAY)
- At a Medicaid office there are caseworkers, supervisors, ALOA (Assistant Local Office Administrator, and LOA (Local Office Administrator)
- Even on "paper days", when the office is not open to speak with a caseworker, the ALOA and LOA are available for emergencies

57

58

# FINALLY - GOOD NEWS

IL Medicaid has a three month retroactive period:

Example: I submit an application for medical assistance to IL Medicaid any time in April. When approved, it will cover the month I applied (April) PLUS three months back (March, February, January)

NO ONE WILL TALK TO ME

- Forms attached for Social Security and for IL Medicaid

# EARNING FICA CREDITS FOR SSDI

- The credits are based on the amount of your earnings.
   Your work history determines your eligibility for disability benefits.
- In 2019, you receive one credit for each \$ 1360 of earnings up to a maximum of four credits per year.
- The number of credits you need to be eligible for benefits depends on your age and the type of benefit.
- How many credits you need for disability benefits depends on how old you are when you become disabled:
  - If you become disabled before age 24, you generally need 1½ years of work (six credits) in the three years before you became disabled.
  - If you are 24 through 30, you generally need credits for half of the time between age 21 and the time you became disabled.
  - If you are disabled at age 31 or older, you generally need at least 20 credits in the 10 years immediately before you became disabled

Monthly substantial gainful activity amounts by disability type

# PUNS - THE BASICS

# From The Arc of Illinois Family to Family Health Information & Education Center

PUNS stands for Prioritization of Urgency of Need for Services.

PUNS is a list of the people in Illinois with developmental disabilities who need vices.

PUNS is for everyone who may need help from the government to pay for relopmental disability services now or in the future.

PUNS is the first step toward getting services in Illinois. If you are not on the VS list, you are not on the waiting list for services.

To get on PUNS, you need to set up a date to meet with a Pre-Admission sener. These screeners will ask questions about you and your needs. These stions are part of the PUNS survey. All screeners work for Independent rice Coordination Agencies or ISC's. To get on the PUNS list, you must have velopmental disability. If you don't know if you have a developmental bility, the screener will help you.

o find your ISC, you can call Illinois Life Span at 1-800-588-7002. You can also DHS at 1-888-DD-PLANS.

/hen your PUNS survey is done, you are on the list. This doesn't mean that you et the services you need. It just means that you have made the first step.

ome of the services that people may need are:

- o In-Home Supports
- o Respite Care
- o Job Coaches
- o Group Homes
- And many others

ere is not enough money to give everyone in Illinois the services they need. now, many people are working on a fair way to choose who gets services.

n't forget to update your PUNS form every year. Only people (families) who ompleted the PUNS - and keep it updated - have a chance of getting I" to receive services.

ou have questions or need help, you can call Illinois Life Span at 1-800-588-7002.

ou want more information about PUNS or Home-Based Services, go to the Support Network website at <a href="www.familysupportnetwork.org">www.familysupportnetwork.org</a>

# FACT:

Effective '/, /2020, IL Medicaid will begin to follow the federal regulation that states that IL Medicaid will only pay for prescriptions written by an IL Medicaid enrolled provider. IL Medicaid has been out of compliance since 2012 and now must comply.

# WHAT THIS MEANS:

If the prescribing doctor is NOT enrolled with IL Medicaid, IL Medicaid will not pay for the item/service to include: drugs, durable medical equipment, diapers, referrals to another doctor...etc.

# WHO DOES THIS AFFECT:

Any person who is eligible for Traditional Medicaid. & MCD Plan.

This does apply to individuals that are "dual eligible" (having both Medicare and IL Medicaid.) The requirement that physicians be enrolled will extend to crossover claims (where Medicare is primary and Medicaid is secondary). To receive the 20% payment from Medicaid, the prescribers will need to be enrolled with IL Medicaid.

EXCEPTION: Drugs filled by Medicare Part D. IL Medicaid does not pay secondary to Medicare Part D, except in a very limited circumstance which is described below. When a pharmacy bills Medicare Part D, the Medicare Part D plan is responsible for the entire cost of the drug, even if the member is dual eligible for both Medicare and Medicaid. IL Medicaid allows Medicare Part D copay only billing for a very small subset of individuals who are not eligible for a waiver, and live in a specific type of supported living arrangement. This policy would apply to those claims.

# WHAT HAS IL MEDICAID DONE TO GET THIS WORD OUT:

IL Medicaid has sent Provider Notices to pharmacies and doctor offices. They have updated their provider manual. They have explained that they were able to identify doctors who are not enrolled with IL Medicaid but, in the past, IL Medicaid has paid their prescriptions. These doctors received more notices.

# WHAT HAPPENS IF I GO TO THE PHARMACY AND MEDICAID WILL NOT PAY FOR MY DRUG:

IL Medicaid has explained that there will be a one-time (per drug) over ride for the first month. To get an over-ride, one would need to call: 877-782-5565.

# NOW WHAT:

This leaves families with several options:

Change to a doctor that is enrolled with IL Medicaid.

As we are aware, there is a lack of available IL Medicaid enrolled doctors.

Many IL Medicaid doctors are not seeing new patients.

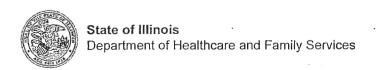

It is very difficult for individuals with an Intellectual and Developmental disability or Autism to change to a new doctor.

To find a doctor who is currently enrolled with traditional IL Medicaid, you may call: 800-226-0768

The current non-Medicaid doctor can enroll with IL Medicaid.

A physician can register in Impact to become a Medicaid enrolled provider.

After Medicaid enrollment, this doctor can choose to accept Medicaid patients or choose not to see Medicaid patients but his/her prescriptions will be paid by IL Medicaid for patients eligible for IL Medicaid.

# Important News about Your Medical Benefits Changes to Copayments

Beginning September 1, 2019, copayments for doctor visits, prescriptions and other medical services will no longer be required for services provided to children or adults receiving Medicaid benefits under the following programs:

- · Family Care
- · Seniors and Persons with Disabilities (formerly Aid to the Aged, Blind or Disabled)
- · Health Benefits for Workers with Disabilities (HBWD)
- · Affordable Care Act (ACA) Adults

#### **HOWEVER, PLEASE NOTE:**

Recipients covered by the following programs are still responsible for their applicable copayments:

- · Children who receive coverage under All Kids Share
- Children who receive coverage under All Kids Premium Level 1
- Children who receive coverage under All Kids Premium Level 2
- Adults covered under Veterans-Care

# There are no changes to premium requirements for All Kids Premium Levels 1 and 2.

Octubre de 2019

# Noticias Importantes sobre Sus Beneficios Médicos Cambios en los Pagos Deducibles

Comenzando el 1 de septiembre de 2019, los pagos deducibles por las visitas al médico, recetas y otros servicios médicos ya no serán necesarios para los servicios brindados a los niños o adultos que reciben los beneficios del "Medicaid" bajo los siguientes programas:

- Cuidado Familiar
- Personas de la Tercera Edad y Personas con Discapacidades (anteriormente se llamaba Asistencia para Ancianos, Ciegos o Discapacitados (AABD, por sus siglas en inglés)
- Beneficios de Salud para Trabajadores con Discapacidades (HBWD, por sus siglas en inglés)
- Ley de Atención Médica Asequible (ACA, por sus siglas en inglés) para Adultos

#### SIN EMBARGO, POR FAVOR TENGA EN CUENTA:

Las personas que reciben beneficios cubiertos por los siguientes programas **todavía son** responsables de los pagos deducibles correspondientes:

- Los niños que reciben la cobertura bajo "All Kids Share"
- Los niños que reciben la cobertura bajo "All Kids Premium" Nivel 1
- Los niños que reciben la cobertura bajo "All Kids Premium" Nivel 2
- Los adultos cubiertos bajo el Cuidado de Veteranos

# No hay cambios en los requisitos "premium" para "All Kids Premium" Niveles 1 y 2.

Si usted tiene alguna pregunta acerca de este aviso, puede llamar a la Línea directa de los Beneficios de Cuidado de Salud al 1-800-226-0768. La llamada es gratuita. Las personas que utilizan un Teletipo (TTY) pueden llamar al: 1-877-204-1012

# SPECIAL NEEDS TRUSTS

# THREE TYPES:

# --15.1 --- Third Party Trust

- funded with OTHER people's money
- anyone can set this up for an individual who has disabilities
- individuals can be any age
- has a trustee the individual with disabilities cannot access the funds
- after the individual with disabilities expires, the heirs (or who ever set this trust up can name who can) keep the remaining balance

# --D4A, OBRA 93, Payback Trust--- First Party Trust

- funded with the PERSON'S own money
- parents, grandparents, courts or guardians can set this up- IN 2017- NOW THE PERSON WITH THE DISABILITY CAN SET THIS UP FOR THEMSELVES.
- can only be used for the SOLE benefit of the individual with disabilities
- individuals with disabilities must be under 65 years of age
- has a trustee the individual with disabilities cannot access the funds
- after the individual with disabilities expires, Medicaid is reimbursed for past Medicaid expenses incurred in all states—PRIOR to any other disbursement of the balance.

# --D4C, Pooled Trust---

- "pooled" with other people each person has a separate account
- can only be used for the SOLE benefit of the individual with disabilities
- individuals have to be under 65 NEW
- already set up there are several of these in Illinois
- comes with a trustee the individual with disabilities cannot access the funds
- payback provision
- ongoing fee
- entering fee

# QUESTIONS FOR POTENTIAL SPECIAL NEEDS TRUST ATTORNEY

- 1) How many Illinois special needs trusts have you done? Third Party? D4a/OBRA 93/First Party?
- 2) Do you keep up with the rule changes? If yes, how?
- 3) Do you let your clients know when their trust needs updating?
- 4) Has your trust been denied by SSI or Medicaid? If yes, why?
- 5) If mine gets denied, will you file the appeal and will the appeal cost me more money?
- 6) Has your trust been submitted with an actual case for someone applying for SSI and/or Medicaid or have they mostly been prepared for younger clients?
- 7) Has your trust been pre-approved by SSI? By Medicaid?
- 8) Has your trust been approved by Regional Staff?
- 9) Is your trust compliant with the clarified POMS 1/1/09 and 2010?

# Heard About ABLE Accounts?

The concept is for individuals with disabilities to have a tax-free savings account similar to a 529 College Savings Plan (ABLE accounts will be "529A" accounts).

For information specifically on the State of Illinois ABLE Account program please visit: http://www.illinoistreasurer.gov/Individuals/ABLE

However, Illinois residents can also use many other State's ABLE Account programs. The first State to have an ABLE Account, and many feel, arguably, the easiest to use, is Ohio's found at:

http://www.stableaccount.com

To compare the different State ABLE programs got to:

http://www.ablenrc.org/state\_compare/

Corporation

While an ABLE account may be a very useful additional "fool" in some circumstances, an ABLE account may not be as useful as first thought for many families of individuals with disabilities.

First, the ABLE account is limited in terms of the amount of money that can be deposited on an annual basis; the 2018 limit is \$15,000 per year, and there is a limit of one ABLE account per individual. However, in addition, beginning in 2018, due to the December 2017 Federal Tax Bill (the Tax Cuts and Jobs Act), until 12/31/25, an ABLE beneficiary who has income from employment may make an additional contribution of the lesser of the beneficiary's earned gross income from employment for the year, and an amount equal to the Federal Poverty Level for a one-person household (which is currently at \$11,770), if there is no contribution by or for the beneficiary, to an employer retirement saving plan. However, beware; the earned income will still be counted for purposes of eligibility. Additionally, the Tax Cuts and Jobs Act allows, beginning in 2018 until 12/31/25, a designated beneficiary of an ABLE account, to claim the saver's credit for contributions made by the beneficiary to his or her ABLE account, if not a full time student and if age 18 or older. Of note is another new provision regarding ABLE accounts under the December 2017 Federal Tax Bill. That is, in 2018 a traditional 529 college tuition account which has an ABLE beneficiary as the beneficiary, may be transferred to the 529A ABLE Account for that beneficiary, but the amount of the "rollover" is subject to the annual limitation for contributions, again \$15,000 for 2018.

Second, the total value of an ABLE account cannot exceed \$100,000 or the individual will have their SSI eligibility suspended until the account balance returns below that level. Further, the ABLE account is capped at the College Savings 529 Plan maximum in the state in which the ABLE account is open; State limits vary from approximately \$250,000 to \$450,000. Illinois' limit is \$400,000.

Third, ABLE accounts can be used solely to cover disability related expenses or face a penalty.

Fourth, an ABLE account requires strict, complex reporting and record keeping.

Fifth, the individual, unless there is a court appointed Guardian appointed, has full control and access to the Account. That is there is no "trustee" or "custodian".

inally, be aware that the States that provided medical assistance and/or Medicate

"payback" or reimbursement, for all such amounts (including medical and Medicaid waiver) which were provided to the individual after the establishment of the ABLE account.

There are several circumstances in which an ABLE account may be very useful. For example, in situations where an individual with disabilities wants to save excess work earnings or Social Security money so that it may be used in the future, as this money cannot be accumulated over \$2,000 in their own name (under SSI and "traditional" Medicaid rules) but they can place up to \$15,000 a year into an ABLE Account.

An ABLE account might also be useful where a relative has left an inheritance of less than \$15,000 directly to the child who is on "traditional" Medicaid and/or SSI and mistakenly did not leave it to a 3rd party Special Needs Trust.

Another possible use for an ABLE account might be to receive "adult" child support ordered by a court, in order not to impact SSI or Medicaid.

ABLE accounts could also be used to avoid the 1/3 reduction to SSI for family contributions to the individual for food and shelter. If the family contributes the funds for food and shelter to the Able Account, its use will not cause the 1/3 reduction to SSI as it would if such funds came from them directly or through a special needs trust.

Lastly, it might be the perfect vehicle for small litigation settlements.

However, due to the "payback" or reimbursement to the State(s) on death for Medicaid use, it is definitely not an appropriate vehicle for gifts or inheritances from others for the benefit of the individual with disabilities, unless there is the strong belief that all funds gifted will be spent for disability related expenses before the individual with disabilities dies. In that situation a Third Party Special Needs Trust is the only appropriate option and with a Third Party Special Needs Trust's favorable income tax rules, that is, being taxed as a Qualified Disability Trust with a \$4,150 exemption in 2018, and with the beneficiary's 2018 standard deduction of \$12,000, the Trust can shelter potentially (subject to the beneficiary's earned income) more than \$16,000 in annual investment income.

In short, the ABLE account has some use for the individual's own savings, but generally not for gifts or inheritances from others due to the pay-back on death of the individual.

Many believe that the most beneficial provision of an ABLE account is that it grows "income tax free", at least for Federal Income Tax purposes. However, if you "do the math" you will see that, that fact is really of little benefit. If the individual is receiving SSI, the ABLE account cannot have more than \$100,000. The individual can use their 2018 standard deduction of \$12,000 to shelter their earned income and any income on ABLE account investments. Further, If you add the average individual's (receiving SSI) annual earned income to the current possible return on \$100,000 in ABLE account investments, you will see that more than likely than not there wouldn't be any income tax anyway on those funds, even if they were "taxable":

It is important to remember the benefits as well as the shortcomings of ABLE accounts as you consider them as one of the savings tools for an individual with disabilities.

Before considering an ABLE account, when they become available, you should consult with an experienced special needs planning attorney. To find such an attorney we suggest visit <a href="http://www.specialneedsalliance.org/find-an-attorney/illinois/">http://www.specialneedsalliance.org/find-an-attorney/illinois/</a> (the national not-for-profit association of experienced special needs planning attorneys, membership by invitation only).

# TIME LINE FOR ILLINOIS PARENTS WITH A SPECIAL NEEDS CHILD DIAGNOSED WITH DEVELOPMENTAL DISABILITIES OR AUTISM

(As seen in Chicago Parent Special Parent Magazine, The Daily Herald, and Special Olympics Newsletter)

Written by Sherri Schneider of Family Benefit Solutions

- If, at birth, your infant remains in the hospital for some time, apply for Supplemental Security Income (SSI) for this child. As long as the child remains in the hospital, parents' income and assets will not count. To apply, call 1-800-772-1213 and indicate that you are applying for SSI. If your child has no or limited health insurance, think about applying for Illinois Medicaid.
- At any age, the sooner the better, you will need to do some special needs estate planning to include (but not limited to): wills, special needs trust(s), powers of attorney, and change of beneficiary. It is vital that you use an attorney whose practice is limited to these issues and who keeps up with the ever-changing rules. To find an attorney in your area, you may reference the Special Needs Alliance website. Doing this planning will help to ensure that your child can obtain and maintain benefits for now and in the future.
- From birth to age 3, have your child evaluated for early intervention programs. There are several agencies that provide this program. To locate the agency for your area, you can call 217-782-1981.
- Do not open any assets in your child's name. Let others know this as well.
- At age 3, seek as much help from the school district as possible. You may need to hire a school advocate or attorney to get what your child needs.
- Continue to keep no assets in your child's name.
- If your child has the diagnosis of developmental disability or on the Autism Spectrum, you must do a PUNS (Prioritization of Urgency of Need for Services). Because there is not enough money to give everyone in Illinois the services they need, this is Illinois' waiting list for services that Illinois maintains. To do a PUNS, you will need to call your Independent Service Coordination Agency (ISC) which can be found by calling 1-800-588-7002 or 1-888-DDPLANS. You can request funding for services such as: respite, children's waiver, Home Base Service waiver, job coaches, and group homes.
- If your child is under 18 years old, most benefit programs will count the parents' income and/or assets against the child. Some programs do not. To find some programs that do not deem parents' income and assets, you may call: Case Management under Division of Specialized Care for Children 773-444-0043

- Attend as many conferences you can to obtain information for your child's future. The schools have presentations. The ARC of Illinois lists their presentations on their website. If you would like support from fellow parents, you can reference IPADD Unite on Facebook. You can attend a work group in your area. <a href="www.iacdd.org">www.iacdd.org</a>
- When your child turns 14 ½, the school should be starting transition planning. Ensure your child's IEP reflects realistic goals. Consult School Attorney or Advocate if necessary.
- -Between 17-18, have your child take a WAIS test and, if not already selected from the PUNS list, a Vineland test.
- In Illinois, special education can end the day before your child turns 22. One year before this, do your due diligence to look at programs (day, residential) for where your child may attend when the school district is finished.

- At 18 years old:

- O Apply for SSI
- O Apply for Medicaid
- Consider the need for Guardianship —vs- Powers of Attorney for your child — The same attorney doing your special needs planning may be able to do this
- Get a school Power of Attorney executed and given to the school
- Get an Illinois Disabled Identification Card
- Look into RTA Reduced Fare Permit and/or ADA Paratransit Service
- O Males Register for Selective Service
- O Register to vote if applicable
- ONGOING establish and update a Letter of Intent

State of Illinois Illinois Department of Healthcare and Family Services

# Personal Representative Designation

- Federal law says that the Illinois Department of Healthcare and Family Services (Agency) cannot share your health information without your permission except in certain situations. If you sign this form, you are giving the Agency permission to treat the person(s) you name as your Personal Representative, and to share your health information with that person.
- · You can name more than one person as your Personal Representatives.
- This Personal Representative Designation will last until you tell the Agency you do not want it to treat the person(s) you
  name below as your Personal Representative any longer.
- Right to Revoke: If you decide you do not want the Agency to treat the person(s) you name below as your Personal Representative any longer, sign the Revocation at the end of this form and give this form to the Agency. Any revocation can only apply on and after the date the Agency receives the Revocation. The Agency cannot cancel disclosures it made to the Personal Representative before it received the Revocation.
- You can keep a copy of this Personal Representative Designation, and can contact the Healthcare and Family Services
   Privacy Officer to get a copy if you do not have one.

My Name:	Date of Birth:
