

# Classroom Enhancements for English Language Learners

- Pre-teach specific key words and concepts.
- Provide dictionaries of native or primary language.

- Consider the background of the students when planning appointments, outings, holiday celebrations, and snacks.
- Use classroom materials that show various cultures.
- Have books available in the classroom in a student's native language.

- Provide materials in the parents' preferred language so that they may assist their child in oral language and literacy development at home.
- Assign a peer buddy.
